Declassified and Approved For Release 2012/10/24 : CIA-RDP79B00873A001800020004-0

Information desired from OSP regarding the Data Block Reader:

1. What information is contained in the S/I data blocks that is not in the MPR

2. What information is contained in the total S/I MPR

3. Is the SPARS (automatic attitude) system a permanent modification (from #130 on) or experimental?

4. Will the automatic attitude information be in the S/I MPR or only in the S/I data block

5. Can we get the layout of row #6 (automatic attitude column) of the S/I data block?
